Description

I was thinking that it would be a good idea to add a power, outage, or power outage category to the elogs. This was just noticed on the Monday owl shift after our glitch caused by feeder 46B. Although, I am not really sure on the proper name for the category.

History

#1 - 08/28/2013 10:08 AM - Kyle Hazelwood

- Subject changed from new Elog category for all logs to New Elog category for all logs

What do you think Duane?

#2 - 09/12/2013 01:34 AM - Kyle Hazelwood

- Category set to Database

- Status changed from New to Closed

Duane implemented a Power Outage shared category and that same day Donovan put it to use! Thanks Donovan.
